First Baptist Church Plans Big Centennial Celebration

Statistics Illustrate Agricultural Progress Being Made in Milam County

The Chamber of Commerce has recently received a copy of the 1950 census of Agriculture giving the complete agricultural picture in Milam county.

Milam county presented statistics to illustrate the progress being made in agriculture. The total value of farm products sold in the county in 1950 amounted to \$8,296,732.00. Field crops, other than fruits, vegetables and nuts led in income with \$4,645,933.00 and livestock and livestock products, other than dairy and poultry, rated second with \$2,557,111.00. Other products showing sizeable incomes were: poultry and poultry products,

\$721,131.00, vegetables, \$191,942.00 and dairy products \$135,391.00.

There are a total of 2,807 farms in the county embracing 503,448 acres of land amounting to 76.6% of the total land area of Milam county. The average size farm in the county is 179.4 acres and the most in number falls in the class of 50 to 99 acres with 715. Farms 100 to 199 acres in size totaled 350 and smaller and larger farms were fewer than the two classes above. Land for farming purposes in the county showed an average value of \$52.32 per acre compared with the state average of \$46.21 per acre. There were two irrigated farms with a value of \$78.12 per acre. Farm ownership in the county is on the decline with only 34.7% of the farms in 1950 being operated on a tenant basis. This figure is much smaller than the 1940 figure of 58.7% of all farms being operated by tenants. The state average for farms being operated on the tenant basis is 30.4%.

The average value of land and buildings per farm in Milam county amounted to \$8,955.00. Automobiles and tractors have replaced the horse and buggy and this is evidenced by the staggering number of 2,228 automobiles and 1,757 tractors. Trucks totaled 1,026. Modern conveniences are common place on the farms of Milam county with 2,169 reporting having electricity and 621 with telephones.

57,625 Cases Of Polio Set Mark in 1952

Washington.—A record total of 57,625 cases of infantile paralysis was reported in 1952. It compares with the previous high of 42,033 cases in 1949 and with 28,795 cases in 1951.

Reporting the figure Thursday, the public health service said, however, that the incidence rate of 37 cases per 100,000 population in 1952 was below the rate of 4 per 100,000 population in 1916.

The 1916 figure is based on the cases and population of 28 states and the District of Columbia. Other states did not make reports in that year.

The health service said, too, that polio was not as great a killer in 1952 as in 1949 or in 1916.

Harley Hightower, USN Attending School At New Rochelle, N. Y.

Harley Hightower, USN, PN SN, is attending a six weeks school in administrative work at New Rochelle, N. Y. He is the son of Mr. and Mrs. Tom Hightower of Walkers Creek.

He married the former Vita Moore of Waco in December and they are making their home near where he is stationed. He recently returned from 18 months overseas duty in Guam where he was in charge of administrative duties. He graduated from Yoe high school and 4-C College at Waco prior to going into the service in March, 1951.

W. W. LOWE TO ATTEND SALES, COST CONFERENCE

W. W. Lowe, bulk agent for Humble Oil & Refining Company in Cameron, will attend the company's annual sales and cost conference Jan. 18-21 in San Antonio.

At the conference, Humble's sales program for 1953 and a review of 1952 operations will be given. Meetings will be in the Plaza Hotel.

Lions To Sponsor Annual Football Banquet At Simon-George Jan. 22

The annual banquet for Cameron's football boys has been scheduled for Thursday, Jan. 22. Honored will be the A, B, and C teams. The big affair is due to start at 7:30 p. m. It will be held at Simon-George Hall.

The main speaker for the banquet will be Bill Durcan. Durcan is the line coach at Texas A&M. He was coach in this district from 1946 to 1947 when he guided the Belton Tigers. He will show a film of the Baylor-A&M game of 1952.

The banquet is being sponsored by the Cameron Lions Club. In

the past, this annual affair has been jointly sponsored by the Lions and Rotarians, but this year it was agreed that instead of joint sponsorship the two clubs would alternate years. The Rotarians will sponsor the 1954 banquet.

The committee from the Lions handling arrangements is composed of Rev. James McKeown, chairman, N. L. Caperton and L. G. Smith.

Tickets are now on sale and may be purchased from any of the football boys or at the Chamber of Commerce office.

Prof. Glenn C. Routt Guest Speaker At Local Church Sunday

The First Christian Church at Cameron is honored to have as their guest speaker on Sunday, Jan. 18, Prof. Glenn C. Routt of Brite College of the Bible at Texas Christian University.

The Christian church is emphasizing this Sunday as Christian

SUNDAY SPEAKER

Higher Education Day. Stressing the importance of religion in higher education, Prof. Routt is well qualified to bring a stirring message on such an important theme. Having graduated from Transylvania College in Lexington, Ky., with an AB degree he went on to secure his BD degree from the College of the Bible in the same city. Prof. Routt also received a Master of Sacred Theology degree from Union Theological Seminary in New York City.

He has been assistant professor of theology in Brite College since 1948. The subject of Prof. Routt's sermon will be "God Marches on the Campus."

Mrs. Lina Kemp Returns From Washington Visit

Mrs. Lina Kemp has returned from a visit with her daughter and family in Washington, D. C., Mr. and Mrs. William S. Brown. Mrs. Kemp made the trip by plane both ways. She enjoyed the trip very much. While in Washington she visited friends at the capital. Mrs. Brown will be remembered as the former Ruth Kemp, a native of Cameron.

Junior Livestock Show Slated For Saturday, January 24 In Cameron

The annual Milam County Junior Livestock Show has been set for Saturday, Jan. 24 in Cameron. John S. Batte, general chairman said this week.

Mr. Batte said that the event will be held on the parking lot behind Lack's Auto Supply. It will be

open to members of the FFA Chapters and 4-H Clubs in Milam county with beef and dairy classes. Livestock breeders in the Central Texas area are invited to exhibit their animals but will not be competing with the 4-H and FFA boys for prizes.

Judging will begin at 2 p. m. on the 24th and R. P. Marshall, county agent of Falls county, has been secured as judge. Prizes will be awarded on a percent basis and merchants of Cameron and surrounding communities will be asked to contribute the prize money.

Committees for the show are: Finance Committee: Marlin Harris, Jess Brock, Leo Fuchs, Frank Richter, Jr., John S. Batte, Wallace Culpepper, Finley Blackwell, Claude Blackwell. Grounds committee: Wallace Culpepper, J. D. Moore, Cornelius Tittsworth, L. G. Smith Joe Richter, Carl Black. Publicity committee: L. G. Smith, Dana Monroe, Milton Brown, Ben Reichert.

Plans for the show were formulated at a meeting held Monday night in the Chamber of Commerce office. Those attending were: Sid McQuary, Thorndale; Dwight Hine, Gene Angell and John R. Coffey, Sharpe; Cornelius Tittsworth, Buckholts; John S. Batte, J. D. Moore, L. R. Thompson, Wallace Culpepper, Dr. Lyle McDermott, Jess Brock, Marlin Harris, Leo Fuchs, Jim Matyastik, Dana Monroe, Robert Matyastik, Tommy Chamberlain and L. G. Smith of Cameron.

Cameron schools will remain on the lucky side of the ledger in the current seige of flu. Thursday morning there were 71 absent from Ada Henderson out of 670 students enrolled. Principal Wiley Loughmiller stated that normal absenteeism was about 30.

Yoe High Principal, Sanford Layfield, reported only four absentees. At press time there was still no report from O. J. Thomas, but C. L. Sadberry estimated that nearly all of his pupils were present.

With Cameron adults it is a different story. Hospitals are still jammed almost to capacity. Many businesses report employees unable to work.

Throughout the rest of the state schools are steadily closing. Children have been told to stay at home in at least 30 towns and communities.

Hospitals across the state are jammed. In many cases patients are being placed on cots in the halls.

So far, only two deaths have been reported resulting from flu. Both of these cases were in Dallas.

State Health Director, Dr. George Cox said that the outbreak is nearing the state-wide epidemic stage. The latest incomplete report showed nearly 50 thousand cases.

Those schools closing were at Rosebud, San Marcos, Lamesa, Bells, Gonzales, Lockhart, Alice, China Spring, Grange Hall, Rice, Mexia, Hillsboro, Clarksville, Oglesby, Bosqueville, Groesbeck, Shilo, Fairfield, Coolidge, Tehuacana, Bynum, Hearne, Calver, Riversby, Sells, Honey Grove, Ladonia, Savoy, Guber, Rotar and Paris.

75 Per Cent Tax Payments Received

According to Robert Kalkbrenner, informant at the county tax assessor's and collector's office, approximately 75 per cent of the county tax payments have been received at the office here, as of Dec. 31, 1952.

Taxes in the amount of \$263,298.69 had been paid, out of the \$368,653.05 estimated state, county and school tax figure.

Kalkbrenner said that only 1,541 poll tax payments have been received. Since this is an off election year, the poll tax payments may fall short of the amount last year since there will be no state, county or national elections this year. Around 5,660 poll tax payments were received at the office last year.

It is always wise to pay your poll tax as you never know what our legislature bodies might dream up to be voted on. PAY YOUR POLL TAX.

Sgt. Wesley Braden Gets Discharge; In Air Corps 3 1/2 Years

Sgt. Wesley Braden has been discharged from the air corps. He received his discharge at the James Connally Air Force base in Waco this week. He is the son of Mr. and Mrs. W. E. Braden of Marlow.

Sgt. Braden had been in the service for the past three and half years. During this time he was overseas 22 months, serving in Japan, Okinawa and the Philippine Islands and other far east points. He has been stationed at JCAFB for the past 14 months attached to the medical division.

He received his basic work at Lackland and was stationed at Lowry air base in Colorado prior to going overseas. Sgt. Braden is a graduate of Yoe high school where he was a member of the football and basketball squads during his junior and senior years.

W. M. Phipps, Jr. On 30-Day Leave

W. M. Phipps, Jr., USN, is spending a 30-day leave with his parents and friends in the Maysfield and Jones Prairie communities. He is the son of Mr. and Mrs. W. M. Phipps, Sr.

Phipps has been in the Navy for several years and has been stationed in Japan and Okinawa for six months each during the time he has been in the service.

DEATH TRAP FOR ANN STALLWORTH AND MRS. DOT BEACH: Shown at top is the car in which Miss Ann Stallworth and Mrs. Dot Beach met death just north of Caldwell Dec. 31. Below is the other vehicle, driven by Hess Key of the Black Jack community. Key is charged with murder by motor vehicle in connection with the fatal accident.

Charge Of Murder by Auto Follows Death, Ann Stallworth, Mrs. Beach

Charges of driving while intoxicated, aggravated assault with a motor vehicle and murder with a motor vehicle have been filed against Hess Key in connection with the highway deaths of Miss Ann Stallworth and Mrs. Dot Beach near Caldwell. The complaints were filed by Highway Patrolman O. L. Luther of Bryan.

Several reports have been received that Hess had forced another car from the road before the fatal accident by weaving. Investigation showed that Key was on the left side of the road at the time of the crash.

The first two cases are misdemeanors and will be tried in county court while the third is a felony and on conviction could result in a penitentiary sentence. Key is now out on \$3,000 bond.

Still in a Cameron hospital, but improving are Frank Scharitzer, driver of the car in which Miss Stallworth and Mrs. Beach were

riding, and Mrs. Iva McKinnley of Austin, a sister of Miss Stallworth and Mrs. Beach.

Post Office At Rockdale Goes First Class

Rockdale. — Postmaster Clyde Franklin has announced that postal receipts for the Rockdale post office totaled \$40,216.62 during 1952 which will push the office into first class.

Only \$40,000 was needed for the new classification. The month of December produced an all time high record for a month's receipts.

The figure \$6,148.62 equaled receipts recorded in the last quarter of 1951. The total gain for the gross calendar year reached \$16,138.85, or a percentage gain of 67 percent over total receipts of \$24,106 for 1951. Postmaster Franklin pointed out that the gains ranged from a low of 23 percent in February to a high of 134 percent in September.

In accordance with postal regulations the actual change in the classification will take place with the start of the new fiscal year on July 1. Two hundred sixty-four new boxes have recently been installed in the office and are in use.

Eighteen-Year-Olds Register in December; February Call Issued

Only ten 18 year old men registered with Local Board No. 92 during December, as follows:

Rose, Manuel Lee, Cameron. Crow, John Dean, Cameron. Pelzel, Clayton Rudolph, Rockdale.

Trevina, Frank Rocha, Maysfield. Sullivan, A. R., Branchville. Zieschang, Gene Allen, Thorndale.

Sanderson, Tommy Sam, Rockdale.

Chandler, Dwight, Maysfield.

Garcia, John, Rockdale.

Krenke, David Lee, Watts Switch.

The February pre-induction physical examination call has been received for February 24 and the number of Milam county men to be delivered is 70. Only registrants who are 19 years and 6 months of age or older will be sent on this call.

Arthur J. Gregory Dies Saturday After Extended Illness

Funeral services for Arthur J. Gregory, 81, were scheduled at 2 p. m. Monday, Jan. 12, 1952 at the Marek-Burns funeral home. Dr. Mark Magers officiated.

Interment in the Oak Hill cemetery.

Mr. Gregory died at 3:30 p. m. Saturday, Jan. 10 at a Cameron hospital after a lengthy illness.

He was born Nov. 20, 1871 in Gaston, Ala., and had lived in Cameron for the past seven years. He was a member of the Methodist church and Woodmen of the World.

Mr. Gregory was the father of Fitzhugh Gregory, Cameron business man. He had lived in Milam county for the past 20 years.

Survivors include his widow, Mrs. A. J. Gregory; two sons, Fitzhugh Gregory of Cameron, and Jack Gregory of Houston; eight daughters, Mrs. T. H. Eiland of Rockdale, Mrs. Ralph Richeson and Miss Modene Gregory of Galveston; Miss Iris Gregory and Mrs. Ray Witcher of Corpus Christi; Mrs. Malcolm Gee of Houston; Mrs. Lee Henke of Austin and Mrs. Lowell Sassman of San Antonio; two brothers, L. L. Gregory of Thorndale and W. M. Gregory of Collinsville; four sisters, Mrs. Ella Casey and Mrs. Knox Conoley of Thorndale; Mrs. Martha Hadley of Palacios; Mrs. Emma Bill Tucker of Ajo, Araz.; ten grandchildren and five great-grandchildren also survive.

Entered in the Postoffice at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 8, 1879. Published every Thursday. Subscription rates: In Milam County \$1.75 per year; outside county, \$2.00; out of State \$2.25.

DRAFTED VETS TO GET TIME REDUCTION

Drafted veterans returning from Korea will now be released if their active service totals 20 months. If they arrive in the United States before that time they will still have to serve the 21 months that all Korea combat veterans serve before release.

This policy will apply only to combat veterans of the Korean fighting who were inducted into the army.

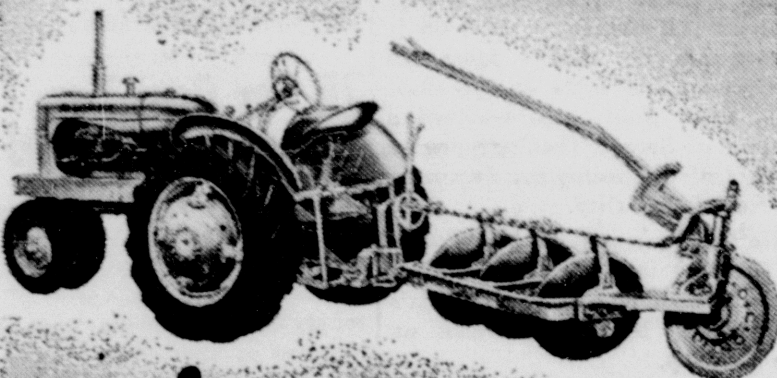

On the basis of a three-year median, TB this year will take the life of a Texan approximately every four hours.

Demo Leader Says Slump in Farm Prices to Set Stage for Depression

Washington.—A Democratic leader of the House Agriculture committee said Monday the current slump in farm prices "is setting the stage for another depression similar to that of 1929."

Rep. W. R. Poage of Texas said prices are behaving the way they did before the last depression.—farm prices are going down while the stock market is going up.

"If something isn't done to restore farm income," he said, "we'll have a ready-made depression as soon as defense spending slackens."

Poage made the statement after chairman Clifford R. Hope (R-Kan.) said the Agriculture committee will investigate complaints of cattle producers that recent sharp drops in livestock prices this week to determine if retail beef ceilings should be rolled back to match the drop in cattle prices.

While farm commodities generally are in a slump, price officials said they believe beef is the only item on which "profiteering" is threatened.

As of mid-December, farm prices were 12 per cent below a year ago, with the bulk of the decline in cattle, cotton, eggs, hogs and milk.

One reason for the falling farm prices has been the decreasing foreign demand in the past year for U. S. agricultural products. The Agriculture Department reported Monday that exports of American farm products in October dropped 25 per cent from a year ago. Agricultural exports from July 1 to Nov. 1 were down 29 per cent.

Poage said some Texas cattlemen suspect that packers are holding up wholesale meat prices in "restraint of trade." He said the margin between farm and retail prices of meat has become "too wide," and an investigation is necessary to "focus public attention" on the problem.

"If the American people realize that's what's happening, if they realize that farm prices are going too low, it would at least remove some of the resistance to farm prices going higher," Poage said.

Milam Citizens Invited to Attend Hearing on Proposed Dam Facilities

All interested persons in Cameron and Milam county have been invited to attend a hearing in Belton, Jan. 28 at 9 a. m. in the American Legion Memorial Building, for the purpose of discussing proposed recreational facilities on the Belton Dam and Reservoir, Col. H. R. Hallock, corps of engineers, Fort Worth, Texas, said last week.

The public hearing is to discuss the proposed plan for development of the recreational potentialities of the Belton Reservoir for the general public, including such items of general public use as parking and picnicking areas, drinking water and sanitary facilities, observation and swimming areas, and access roads on government property.

Oral statements will be heard, but for accuracy of record, all important facts and arguments should be submitted in writing in sextuplicate (six) copies. Information is especially desired as to the extent that Federal, state, or local governmental agencies will participate in the development and financing of public park and recreational development of the area is in the Chamber of Commerce office and is available for interested persons to look on.

Local K-G Officials Hosts At District Meeting This Week

The Knights of Columbus District officials was held here this week, Lincoln Mondrik, grand knight reports.

This district is composed of Bryan, Brenham, College Station and Cameron. The grand knight and officers of these councils were in attendance. Plans for activities for the next quarter were outlined.

The following grand knights were present: L. J. Lacins, Brenham; F. J. Scanlin, Bryan; D. Golia, Station; and L. Mondrik, Cameron.

Dutch lunch and refreshments were served at the conclusion of formalities.

TRADE IN CAMERON

\$1,000,000 In Aid Asked For Lake at Belton

Washington.—President Truman recommended today millions of dollars in flood control and navigation project funds for Texas and adjoining states.

Included in the request was \$1,000,000 for the Belton Reservoir. The Southwest would share heavily in the president's budget recommendation of \$661,524,000 for the country's flood control and harbor programs in the fiscal year starting July 1. The national total is about 99½ million dollars more than Congress voted last year.

Texas also was recommended with New Mexico for a \$529,000 part of the president's estimate of \$193,888,000 needed for land reclamation. This would be on the Rio Grande between the two states.

The president's budget message recommended sharp curtailment of Southwestern Power Administration funds for construction. The cut would be from this year's \$4,150,000 to 1½ million for the next fiscal year. On the other hand, Mr. Truman said the agency's operating and maintenance funds should be increased from \$1,450,000 to \$1,900,000. The agency operates in Texas, Missouri, Arkansas, Oklahoma, Kansas and adjoining states.

One of the biggest flood control projects in Texas is the Falcon Dam on the Rio Grande upstream from Laredo. The president asked for 7½ million to continue construction of this dam and for 1½ million to start construction of Anzaldues Dam on the same river. Falcon Dam was 75 per cent completed last December. Diversion of the Rio Grande is planned this winter.

New Bridge on Farm Road 486 Opens

Opening of the new bridge over Little River on Farm-to-Market Road 486 took place Wednesday, Jan. 7, according to County Judge Charles Smith, Jr.

Work on the bridge has been underway for about a year. Bids were received by the State Highway Department at Austin on Dec. 12, 1951, at which time the late Judge Dan Tyson was county judge.

John F. Buckner and Sons, contractors, were in charge of construction. The cost of the bridge was around \$49,000. The old bridge has been in a bad state of repair for some time. The county had placed warning signs at each end of the bridge for the benefit of motorists.

The State Highway Department furnished all the money in building the bridge with the county furnishing the right-of-way, Judge Smith said.

The old bridge was known as the Norman Valley Bridge.

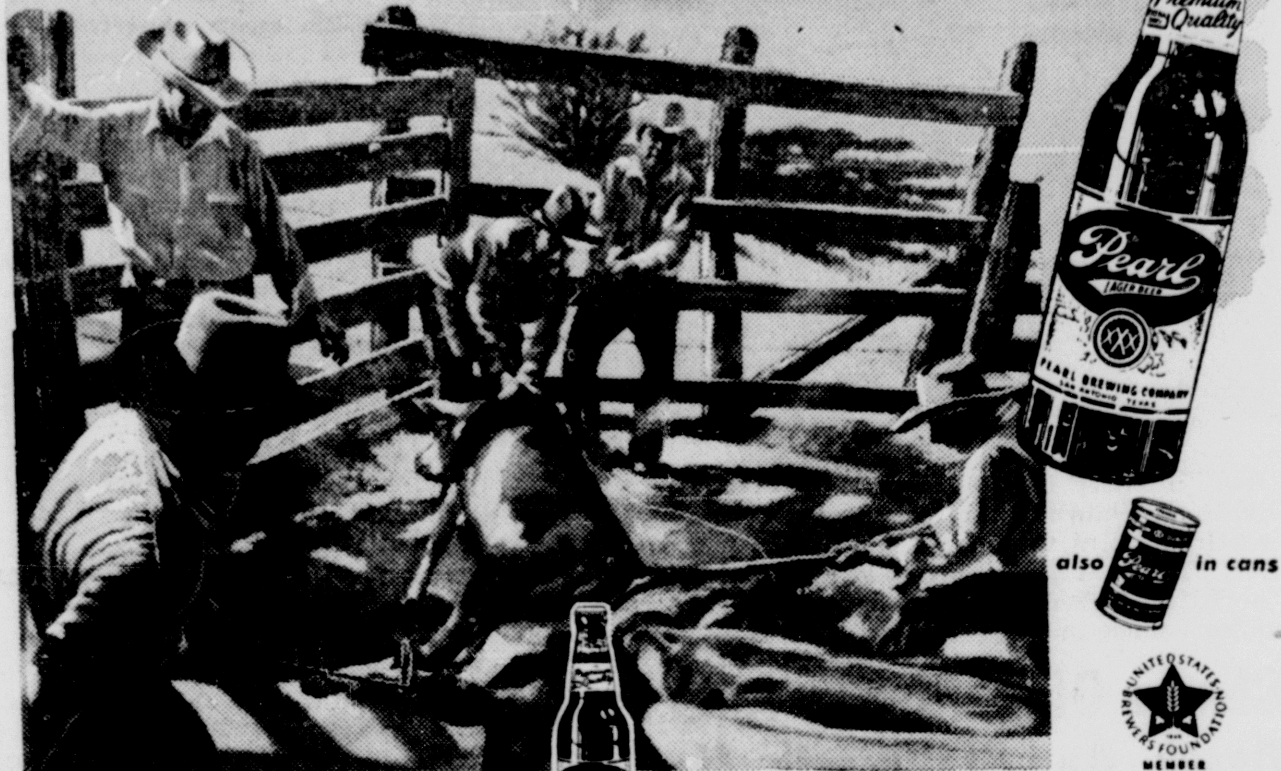

Southwestern Gets Two \$50,000 Gifts

Georgetown.—Dr. William C. Finch, president of Southwestern University, announced that the college has received two \$50,000 gifts, one from the West Foundation of Houston, the other from Mr. and Mrs. A. C. Reeder of Lometa.

Milam County 1953 MOD Goal Set For \$4,500.00, Director Reports

The goal for the Milam county march of dimes which began January 1, has been set at \$4,500, Wiley Loughmiller, county campaign director said.

Last year slightly more than \$3,000 was contributed in the drive, he said. This was about 15 cents per capita as compared with the state average of 28 cents per capita. At least 25 cents per capita must be collected in Milam county this year, Mr. Loughmiller said.

This does not necessarily mean that each person must donate more to the drive, but it means that more people must be contacted, he said.

Date for the Mother's March on Polio has been set for Jan. 29 from 7 to 8 p. m. The march will be held at the same time all over the nation.

A door to door committee will work in the business districts to correspond with the Mother's March in the residential and rural districts. The march is being carried to the rural districts for the first time this year.

Key personnel for the drive have been named in all communities and the drives in the different communities in the county have been started. All supplies have been received and chairmen have been notified to pick them up at the county health unit in Cameron. Mr. Loughmiller said.

The miniature iron lungs will be placed in businesses in the county for donations again this year, he added.

"We are trying to organize in such a way that each person in the county will be contacted personally for his contribution," Mr. Loughmiller said, but if anyone is missed he is asked to mail his donation to Treasurer, Polio, Cameron, Texas.

Campaign directors for the different towns and communities in the county are: Mrs. Buck Angell, Ber. Arnold; Robert Foster, Branchville; E. B. Hyer, Buckholts; J. F. Hodges, Burlington; Rev. John Solomon, Cameron; Rev. William Dodd, Davilla; Mrs. Dick Young, Jones Prairie; Harrison McLerran, Maysfield; Mrs. R. L. Mills, Milano; Clyde Franklin, Rockdale; Mrs. Hope Camp, Jr., San Gabriel; and Lyngle Barnes, Thorndale.

Volunteer workers are badly needed in Gause and Yarrington and anyone interested is urged to contact Mr. Loughmiller. Workers in the other communities may contact the director there.

Rent Area Director In Cameron Each Tuesday, 1-2 P. M.

The office of Rent Stabilization will be open for business in Cameron, one day a week, George H. Goeman, Area Rent Director, has announced.

Goeman and one of his aides will consult with Cameron landlords and tenants on rent problems between 1 p. m. and 2 p. m. each Tuesday in the county court room in Cameron.

The former rent office at Rockdale has been closed in an economy move, Goeman said. In case of emergency, Goeman may be reached at the Office of Rent Stabilization, Rattliff Bldg., Killean, telephone 2931.

Other than reductions in office space and personnel, there are no changes in the federal rent program, which have been in effect in Cameron since May 1, 1952.

The Cameron area was certified as a critical defense housing area by the Secretary of Defense and the director of Defense Stabilization, effective May 1, 1952, maximum rent date is January 1, 1952.

CARD OF THANKS

We wish to thank all our friends, neighbors and relatives for the kindness and sympathy shown us at the death of my wife, and our sister, Mrs. Nancy E. Lucas. To those who sent flowers, to any one who helped in any way during our time of sorrow, we shall always be grateful.

V. R. Lucas
Mr. and Mrs. John O. Devine
Miss Mamie Devine,
Mr. and Mrs. Jim Hartley.

CARD OF THANKS

We wish to express our sincere appreciation for the many, many acts of kindness and sympathy extended us during our recent bereavement. We are deeply grateful for the Masses, spiritual bouquets and the many beautiful flowers.

We take this means of thanking our friends for all their kindness and expressions of condolence.

The E. A. Michalka Family.

Mr. and Mrs. W. F. Meier and family of Red Bud, Ill., spent a month in the home of his sister and family, Mr. and Mrs. Fritz Senkei.

Mr. and Mrs. I. N. West are in a Cameron hospital ill with the flu.

Mrs. Maggie Miller spent several days last week in Houston.

Miss Adelaide Bickett has returned home after being a patient in a Cameron hospital. She is office secretary at the Farm Bureau.

A new type motor oil for the new cars

Your new car needs this new type oil

Many 1952 and all the 1953 automobiles have high compression engines.

You've heard about these fine new engines.

You know, for example, that they require gasoline with extra anti-knock performance... a gasoline like Humble Esso Extra.

Now, Detroit's automotive engineers have discovered that high compression engines need an entirely new type of motor oil. With conventional oils in the crank case, the new engines have a tendency to ping, or knock, after four to eight thousand miles of driving. You can't cure this "4000-mile knock" with any commercial motor fuel; a cure calls for an expensive engine cleaning job... but you can prevent it by using

Humble's new Esso Uniflo Motor Oil, beginning in the first 1000 miles of driving!

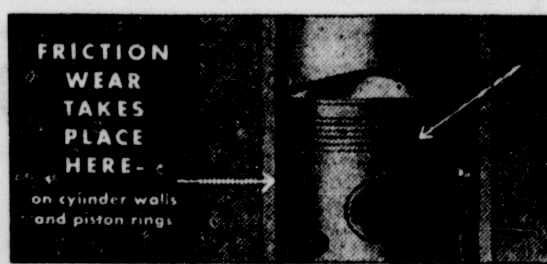

And if you do have your engine cleaned, Esso Uniflo will reduce further deposits.

Second, the engineers discovered that friction is the chief cause of wear in automobile engines. Moving parts in the new engines are so carefully machined that they fit very closely. This gives you much better performance from your car, but it also requires superior lubrication. Heavy oils and oils that "thicken" in cold weather don't flow readily between such closely fitting parts. The result is excessive wear from friction, and expensive engine overhauls... To minimize friction wear... again you need Humble's new Esso Uniflo Motor Oil.

Humble Esso Uniflo protects against friction and corrosion

Exhaustive tests using radioactive isotopes show that friction is the chief cause of wear in automobile engines. To minimize friction, Humble Esso Uniflo has the highest viscosity index of any oil sold for automobile use in the United States.

This means that Esso Uniflo is light enough to flow instantly between close-fitting engine parts, and yet stays tough and full-bodied to protect them. It neither "thins out" in hot weather, nor "thickens up" in cold.

Engineers' reports indicate that new type Humble Esso Uniflo reduces friction wear as much as 40 per cent.

Second of engine wear is acid corrosion. Humble Esso Uniflo is highly resistant to acid action. Acid corrosion can be

cut in half with Esso Uniflo. You must begin to protect against wear in the first 1000 miles of driving. Insist on replacing "break-in" oil with Humble Esso Uniflo.

Protect the Performance—Protect the Engine of your New Car with Humble Esso Uniflo

When you buy your new car, insist on Humble Esso Uniflo when your dealer drains the "break-in" oil. If your new car is less than 1000 miles old, and has only an ordinarily good oil in the crankcase, take it to your car dealer or to your neighborhood Humble sign and have the oil replaced with Esso Uniflo.

Thereafter, change Esso Uniflo at recommended intervals to eliminate danger of harmful contaminants. The one grade of Esso Uniflo

will protect performance, will protect the engine, throughout the life of your car — no need to change grades for seasonal temperature variations.

If your engine has been overhauled, or if you have just installed a rebuilt engine, change to Esso Uniflo right away.

**Premium Value—
Premium Price**

You Need Only One Grade of Humble Esso Uniflo

You use it year 'round. Esso Uniflo meets all the specifications for SAE viscosity classifications 5W, 10W, 20W and 20. It is a heavy duty, detergent oil, recommended for API service classifications ML (light duty), MM (medium duty), MS (severe duty) and DG (general diesel duty). Its viscosity index is amazingly high.

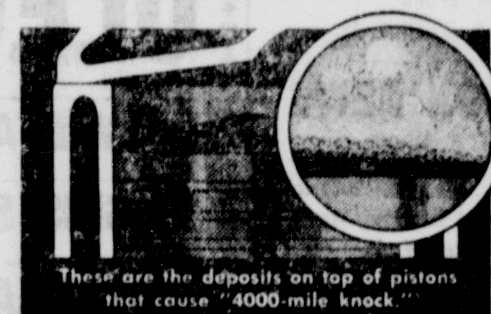

Humble Esso Uniflo costs something more than most motor oils. But you'll agree that the small extra cost—less than one-tenth of a cent for each mile of driving—is cheap insurance against "4000-mile knock," friction wear, and acid corrosion!

Humble Esso Uniflo prevents "4000-mile knock"

With an ordinarily good motor oil in the crankcase of a new car, deposits build up in the combustion chambers. These deposits raise the compression ratio. Further, they are irregular in shape, with small points standing up among them. In the heat of the combustion chamber, these small points become white-hot; and when they do, they act like spark plugs, detonating the motor fuel before it can burn evenly and smoothly. The detonations are the "ping" or "knock" that is heard after four to eight thousand miles of driving.

Humble Esso Uniflo, an entirely new type of oil, prevents the formation of deposits causing "4000-mile knock."

But the deposits that cause

"4000-mile knock" begin to form in the first mile of driving, and the knocking becomes noticeable between 3000 and 8000 miles of driving. Action to prevent the condition must be taken early — you should start using Humble Esso Uniflo in your new car's first 1000 miles. So have your car dealer replace "break-in" oil with Humble Esso Uniflo; stop at the Humble sign in your neighborhood for regular changes of Esso Uniflo thereafter.

A Word to Owners of Older Automobiles

- If you use an oil meeting SAE viscosity classifications up to 20—you will find it profitable to change to Humble's new type Esso Uniflo. It will protect your car against friction wear and acid corrosion; reduce starting drag and extend battery life.
- If your engine has just been rebuilt—change to Esso Uniflo. It will prevent the deposits causing "4000-mile knock"; it will protect against wear from friction and corrosion, reduce starting drag and extend battery life.
- If you use SAE 30 or SAE 40 oil—Humble continues to recommend Esso Extra Motor Oil No. 3, a high quality, heavy duty detergent oil with a viscosity index second only to that of Esso Uniflo.

Stop at the Humble sign in your neighborhood for the best oil you can buy for your car.

CLARKSON NEWS
By Mrs. J. A. Blasienz

Mr. and Mrs. W. B. Reynolds and his sister and family, Mr. and Mrs. Cullen White of Briary attended the Reynolds family reunion held at the home of Mr. and Mrs. Rufus Reynolds at Lexington last Sunday.

Mr. and Mrs. Joe Pagach and family visited her sister, Mr. and Mrs. Louis Goeke and son in Rosebud recently.

Mr. and Mrs. Jack Briggs and daughter of Fort Worth spent last weekend with her parents, Mr. and Mrs. V. D. Dodd and family.

Mr. and Mrs. Louis Skala and son, Hubert, and their nephew, Frank Skala, Jr., were visitors in the home of Mr. and Mrs. J. S. Malik in Thrall on Sunday.

Mr. and Mrs. C. S. Robbins and daughter, Peggy, and Otis Franklin of Pleasant Grove visited Mr. Franklin's daughter and husband, Mr. and Mrs. Roy Wilson in Holland recently.

Dr. J. E. Patton of Lott spent several days this week in the home of Mr. and Mrs. Joe Lackey and family. On Saturday Mr. Lackey and daughter, Jodie Lou, and Dr. Patton visited his daughter, Mr. and Mrs. T. O. Mitchell and daughter, Margaret of Cameron.

Mr. and Mrs. Leon Lorenz and family of Sneed Kasner were guests of Mr. and Mrs. George Dodd and children Monday.

Mr. and Mrs. Bill Harrison and family and Py Hubert Skala of Fort Hood were visitors in the Oran Casey home at Lott Wednesday night.

Mrs. J. A. Blasienz visited Mr. and Mrs. Walker Cox of Cameron for a short while on Saturday.

F. B. (Buddie) Burks, Constable of Precinct 3, transacted business here this week.

E. J. Payne of Route 1 visited in Cameron Monday.

BEN ARNOLD NEWS

By Martha Swanzy

Erwin Pimpler underwent surgery at Scott and White again Wednesday.

Will Knupple celebrated his birthday Sunday. His brothers, Charlie Knupple and Eddie Knupple and families of Crawford and his daughter, Mrs. Ed Manning and family of Cameron spent the day with him.

Paul Swanzy went to Port Arthur Sunday to visit relatives there.

H. D. Rice of Pasadena visited his parents, Mr. and Mrs. O. H. Rice and helped his father remodel their house.

There will be a 42 party at the United E&R church at Ben Arnold the 20th of January.

J. C. Komar, Jr., arrived in San Antonio last week from Korea.

There will be a community party and carnival at the Ben Arnold school house Feb. 14.

Mr. and Mrs. Cecil Richerson and Earl Richerson, Kenneth and Reagan Swanzy all of Port Arthur visited their grandmother, Mrs. J. B. Swanzy.

Mr. and Mrs. C. F. Nolte have been ill with the flu during the past week.

Mrs. Will Knupple has been in bed with the flu at the end of the week.

YARRELLTON NEWS

Rev. Robert Latham filled his regular appointment here Sunday and Sunday night and was a dinner guest in the home of Mr. and Mrs. Auttis Franklin in Cameron.

Mr. and Mrs. Denson Provasek left Wednesday for Albuquerque, N. M. where he will be stationed as a guard in the Army Camp.

Mr. and Mrs. Yesley Griffin and children of Waco have returned home after a visit in the Zack Griffin home and visiting her mother, Mrs. Rufus Hurry, in a Cameron hospital.

Mrs. Mary Chapman is visiting in the home of her daughter, Mrs. Leona Griswell.

Friends of Mrs. Bill McCall are sorry to learn that she is ill with the flu in a Cameron hospital.

There are several cases of flu in this community.

Mrs. Verne Colburn and Mrs. Frances Griffin have been appointed to help in the Polio Drive. All donations will go for a good cause to help crippled children.

Mr. and Mrs. Frank Elder and children, Faye, Grady, Carol and Lynn of Silana, Kan., have returned to their home after spending the holidays with her mother, Mrs. Grady Little and other relatives and friends here.

Church Wedding Unites Couple at Maysfield

Miss Joy Thweatt and Hall J. Martin were united in marriage at the Maysfield Methodist church Dec. 21 at 3:00 p. m. in a double ring ceremony performed by Rev. Comer Alden. Vows were pledged before an altar which was attractively decorated with white mums and fern.

The bride wore a street length dress of beige crepe with rhinestone and velvet trim and a matching beige hat with a small off-the-face veil. Her accessories were black patent. She carried a gardenia cluster corsage on a white Bible. The old tradition of something old, something new, something borrowed, and something blue was carried out by the bride.

Mrs. Clyde Childers, sister of the bride, was matron of honor. She was attired in a brown rayon tweed suit with brown accessories and wore a white mum corsage.

Billy Thweatt, brother of the bride, served as best man.

The wedding music was played by Mrs. Bob Newton, cousin of the bride, who wore a brown gabardine suit with brown accessories. Miss Shirley Horstmann sang "Because" and "The Lord's Prayer."

The bride's mother was dressed in a grape colored crepe suit.

Following the wedding a reception was held at the home of the bride where the four-tiered wedding cake was cut. Many guests were served from the lace covered dining table which was centered with white mums and lace fern.

For traveling the bride wore a forest green rayon flannel suit with black velvet trim. They spent a short honeymoon in Waco and San Marcos.

The groom is in the Air Force and is stationed at San Marcos Air Force base. He will continue his training there until June 30 at which time he will be discharged and plans to enter the University of Houston. His home is in Pittsburgh, Pa.

Mrs. Martin will continue her studies in Cameron until the semester ends. She is the daughter of Mr. and Mrs. Bill Thweatt of Cameron.

Among the out of town relatives attending the funeral services of little Donna Boelinger were: Mr. and Mrs. Dan Wade and sons, Mr. and Mrs. A. D. Quillian and children, Mr. and Mrs. Charlie Quillian and Mrs. Lee Quillian all of Sem ionie and Mr. and Mrs. Bill Henderson and baby of Brownsville.

Mr. and Mrs. Joe Lankford of Hanover were recent Cameron visitors.

Milam Man in Korea Cited For Performance Under Enemy Fire

The Combat Infantryman Badge for excellent performances of duty under enemy fire in Korea recently was awarded to Pfc. Monroe C. Mortimer, son of Mrs. Helen C. Mortimer, Cameron, Texas.

He is a member of the 7th Infantry Division, the outfit which has seen action in every sector of the Korean fighting since landing at Inchon in September 1950.

A field wireman in Company L of the 17th Infantry Regiment, Mortimer entered the Army in September 1950, arriving in Korea last September. He holds the UN Service Ribbon and the Korean Service Ribbon with one campaign star.

Mr. and Mrs. Ben Kennon were Houston Wednesday, where Mr. Kennon went for a check-up at the Anderson Clinic. He will have to return to the hospital Jan. 19 for further treatment.

Mr. and Mrs. T. J. Prather of Rogers visited relatives in Ben Arnold this week.

CARD OF THANKS
We wish to express our deep appreciation to the Priests, friends and neighbors for the many acts of kindness shown us at the time of the death of our loved one, August Kostroun.

We are deeply grateful for the beautiful flowers, and the food that was brought and to those who helped in any way. Our fervent prayer is that God will richly bless each of you.

The August Kostroun Family.

TEXAN PARADE By ROSS PHARES

Texans Imaginative Brand
Designers

Texas imagination has never ex-
pressed itself more colorfully than
when designing cattle brands.
Many have interesting stories be-
hind them.

The first brand had a religious
significance. It was three Cath-
olic crosses, worn by the first cat-
tle brought to Texas. They were
driven into the province by Fran-
cisco Vazquez Coronado, and were
the ancestors of the famous long
horns.

Frank Hatch ran the 45 brand
because, as he explained it, all he
had when he started the herd was
a Colt's 45, and he intended using
it to defend his stock.

Henry Wells used the letters
HEL because "hell is so famous,"
he said.

There is a popular story to the
effect that the famed 6666 brand
was so adopted because four sixes
was a poker hand that won the
money to buy the ranch.

It was said that the Bar MD
stood for "money down on the
bar" from cattle buyers.

The per cent mark was used by
W. A. Walton, because he hoped
to make a good percentage of pro-
fits from his herd.

Many brands were shortened
names, or names in symbols. Rich-
ard Fivewash used 5ASH. Jenne
Bell of Margarete used a bell. John
Wiseman, of Gountze used on owl's
face. Mrs. M. C. Fish of Houston
designed a fish. Mrs. W. G. Potts
of Spur adopted a teapot. William
Sachse adopted SX because he
pronounced his name that way.

Symbols run the gamut of the
imagination. Some cattle were val-
entines on hoofs. There is a gag
to the effect that men could not
carve sentiments on trees in West
Texas so they carved them on cow-
hide. The heart has always been a
popular symbol. For example:
Cupid's Heart, Lone Heart, Lazy
Heart, Double Heart, Two Hearts,
Heart Bar, Circle Heart, Cross
Heart, Heart Strings, Standing
Heart, Heart Diamond.

Some brands appear to be a
form of correspondence, or greet-
ing. There is a yarn about the
IC brand which states that the
owner began finding cattle in his
herd branded ICU. The IC owner,
believing that his brand had been
changed, decided to do a little
changing himself and get in a
pointed notice to the owner of
the ICU. He changed his brand
to ICU2. Jim Myers of Kountz
might be accused of shouting this
sentiment. His brand was OICU.

B. Williams of Young County
seemingly sent greetings to his
fellow cattlemen by putting HOW
U on his cows. It could be taken
as most cordial greeting, for it ran
most of the length of the ani-
mal—large HOW on the left side
and a large U on the left hip.

Some designs were accidental.
The Waggoner brand, for instance,
is three reversed D's. This, and
many other reversed letter brands,
can be explained by the fact that
the cowhand who forged the brand
made perfect letters without it
occurring to him that when put
on a cow they would be turned
around.

Mrs. Joyce Woodward of Hous-
ton, who underwent surgery at a
Cameron hospital Tuesday is re-
ported to be resting well. Mrs.
Woodward is the daughter of Mr.
and Mrs. George Leferre of Cam-
eron.

Mr. and Mrs. Frank Miller of
Baytown were Sunday guests in
the home of Mr. and Mrs. Victor
Malcolm and children.

Maysfield School Names Honor Roll

Honor roll at the Maysfield
school has been announced by Har-
rison McLerran, principal. Mrs.
Roberta Bowling and Mrs. Mil-
dred Martin also teach at the
school.

First Grade: Danny Thweatt,
William Cobb, Charles Seaton,
Lana Jean McLerran, Juanita Lind-
sey, Patricia Weathers, Lana Jean
Eichinger and Mildred Faye Yates;
second grade, Larry Thweatt; third
grade, Mike Cobb and Jimmie
Weathers; fourth grade, Billy Par-
cus; fifth grade, Sally Alfaro, Nan-
cy Ruth Cobb, Daisey W. Hender-
son and Ina Mae Yates; eighth
grade, Bobbie Weathers.

NOTICE OF INCORPORATION

Notice is hereby given that the
partnership lately existing between
H. P. Woodson, M. G. Perkins and
B. T. Yager, doing business in the
Cities mentioned below, was dis-
solved by mutual consent effective
as of December 1, 1952; that said
partnership firm and the members
thereof intend to become incorpo-
rated and have been incorporated
as six (6) separate Texas corpora-
tions—each of the following men-
tioned divisions of said partnership
firm and business being incorpo-
rated as a separate Texas corpora-
tion, the charters of all of which
corporations were filed in the of-
fice of the Secretary of State of
Texas on December 5, 1952.

The division of said partnership
business heretofore conducted in
Lexington, in Lee County, Texas,
under the name of Woodson Lum-
ber Company was incorporated un-
der the name of Woodson Lumber
Co. of Lexington.

The division of said partnership
business heretofore conducted in
Brenham, in Washington County,
Texas, under the name of Woodson
Lumber Company, was incorporated
under the name of Woodson Lum-
ber Co. of Brenham.

The division of said partner-
ship business heretofore conducted
in Bryan, in Brazos County, Texas,
under the name of Woodson Lum-
ber Company, was incorporated un-
der the name of Woodson Lumber
Co. of Bryan.

The division of said partner-
ship business heretofore conduct-
ed in Cameron, in Milam County,
Texas, under the name of Wood-
son Lumber & Hardware Company,
sometimes also under the name
of Woodson Lumber Company, was
incorporated under the name of
Woodson Lumber Co. of Cameron.

The division of said partner-
ship business heretofore conduct-
ed in Caldwell, in Burleson Coun-
ty, Texas, under the name of Wood-
son Lumber Company, Wholesale
and sometimes under the name of
Woodson Lumber Company, Gen-
eral Office, the office and place of
business of which was at 800 West
Buck Street in said City, was in-
corporated under the name of
Woodson Lumber Company, Whole-
sale.

The division of said partner-
ship business heretofore conduct-
ed in Caldwell, in Burleson Coun-
ty, Texas, under the name of Wood-
son Lumber Company, the office
and place of business of which was
at 702 West Buck Street, in said
City, was incorporated under the
name of Woodson Lumber Co. of
Caldwell.

MAN LIVING OUT ON LITTLE RIVER SURPRISED TO DISCOVER CAMERON STILL HAS A NEWSPAPER; WRITES LETTER ABOUT IT

Editor's Note: A man living out on Little River who signs himself "J. A." and says he is referred to as the Little River Philosopher has written us the following letter and has offered to write others. We will let our readers be the judge of whether we ought to give this fellow space every week. The letter follows, in his own language, insults and all.

Dear editor:

I was sittin out here in the sun the other afternoon watchin a newspaper bein blown along the ground by the wind and I got up wonderin if I'd read it yet but didn't want to get up to see as there ain't no use exertin yourself unnecessarily in these days of manpower shortages but later in the day it blew over close to where I was and since I was gonna change positions anyway I leaned over and picked it up and was surprised to find it was a recent issue of The Cameron Herald, as I am frank to say I didn't know Cameron still had a newspaper as I had been dependin exclusively on the Temple Telegram until they stopped my paper in 1942 and don't consider myself no more ignorant than the editor himself.

But since I have discovered The Herald is still in existence I figured you might be interested in an occasional letter from me if we

can agree on a satisfactory price, which don't necessarily be high as a thinkin man can find lots to write about without any trouble if he is confronted with a choice of writin or goin up one row and down the another wearin himself and his tractor out like some of my neighbors fightin Johnson grass as though the stuff could finally be whipped.

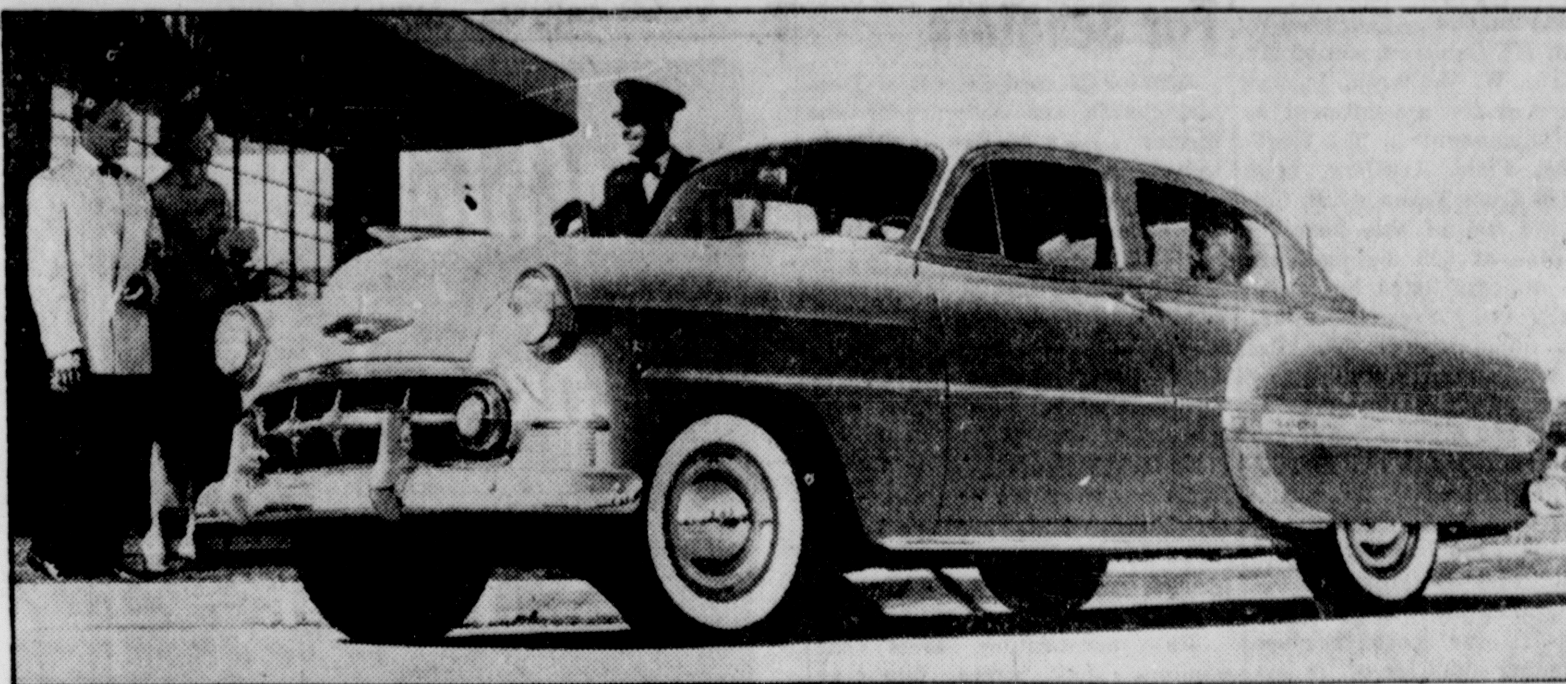

Speakin of Johnson grass, I noticed a Congressman in Washington claims there are thousands of acres of land overrun with Johnson grass in this country due to strikes holdin up production of farm equipment, and while I ain't in favor of strikes by the other fellow as the less production there is the fewer goods there is to sell and the less credit there is, I would like to suggest to this Congressman that while maybe he can convince his wife the strikes are to blame for the Johnson grass on his farm, I ain't had no such luck. My wife just bluntly tells me I ain't usin the equipment I already got to no advantage, and mentions a lot of other things which I am too much of a gentleman to repeat, addin that I'd have Johnson grass don't make no difference if I had ten thousand dollars worth of equipment.

I'm in favor of this Congressman's eliminatin Johnson grass, but if he thinks eliminatin strikes will do it I'm afraid he ain't takin no practical view of the matter. We're liable to have Johnson grass as long as a man had rather prop his feet on the porch than get corns on them followin his mule or on other areas drivin his tractor

Four-Door Sedan in New Chevrolet Bel Air Series

The Bel Air four-door sedan is one of four body types with which Chevrolet pioneers a completely new series of passenger cars for 1953. Richness in exterior and interior appointments gives the series a distinction never previously achieved in the Chevrolet market. Increased performance, comfort and convenience are common to the Bel Airs and the "One-Fifty" and "Two-Ten" series.

Completion of Alcoa's New Modern Office Building Due This Week

Alcoa's modern new office building was nearing completion this week as administrative personnel began moving into their new quarters. The two-story brick building is located near the main gate of the aluminum plant and will serve as the administration building for the Rockdale Works.

Fully air conditioned for summer and winter operation, the new building will contain more than 25,000 square feet of floor space.

Since early last fall, Alcoa permanent office personnel have been scattered in several buildings at the plant. With the completion of the new building, activities of all operating office personnel will be concentrated in the new administration building.

The Personnel Department and the Public Relations Department which have occupied offices in Rockdale will also be moved into offices in the new building.

In addition to the laboratory and normal office space, the building contains a 10-room modern medical department with facilities for complete physical examinations and first aid treatment.

The chemical laboratory is located on two floors in the north wing of the building. The laboratory which has facilities for making quick and accurate analysis of such pour of aluminum has

and as far as I'm concerned that's gonna be forever.

Your faithfully,
J. A.

been in operation since November of last year.

Aluminum was used wherever practicable throughout the building. Aluminum architectural applications include window frames, lobby trim, hand rails and miscellaneous hardware. Aluminum wire and conduits were used in all parts of the building. Eight cast aluminum spandrels add to the exterior beauty of the building. Another feature of the building is the use of a new heat-absorbing, glare-reducing glass for all windows in the new building.

Wyatt C. Hedrick, Houston architect and engineer, designed the building, and O'Rourke Construction Company of Houston and Dallas was the contractor.

Grier and Theo Burnett of Marlow were Cameron business visitors Thursday morning.

Pfc. Denson Provasek Gets Transfer To New Mexico Base

Pfc. Denson Provasek has concluded a two-week furlough with relatives and friends in Cameron and the Yarrington community. He is the son of Mr. and Mrs. J. A. Provasek of Yarrington.

Pfc. Provasek has been stationed at Camp Roberts for the past five months and is with the Military Police. He was scheduled to leave for Sandia Air Force base in Albuquerque, N. M., on Jan. 7. His wife, the former Christine Edmonds who has been living with her parents at Gause during the time Pfc. Provasek was in California, will go with her husband to his new location.

Pfc. Provasek was employed with the Maysfield Mercantile Company prior to going into the service. He is a graduate of Yoe high school.

Mrs. Roxie Davis, Prominent Baptist Figure, Succumbs

Mrs. Roxie Mae Davis, 73, a longtime worker in the Baptist church, died Tuesday morning at her home, 2427 Idaho, in Dallas.

She was a native of Gonzales county, and was graduated from Mary Hardin-Baylor College at Belton. She was married to a Baptist minister, the Rev. Jeff Davis, and worked closely with her husband in church work for many years.

Mrs. Davis was the daughter of the late Mrs. Belle McKinney, who lived in Cameron for many years.

She was a member of Cliff Temple Baptist church.

Survivors are one son, A. L. Davis of Houston; a daughter, Mrs. Roy Schuttles, Dallas; a stepson, Jeff Davis Jr., Austin; two sisters, Mrs. Willie Coleman of Cuero and Mrs. Paul Medzker, Oklahoma City, Okla.; six grandchildren, and four great-grandchildren.

Funeral services were held at 10 a. m. Wednesday at Lamar & Smith Chapel, 800 West Jefferson, in Dallas. Dr. Wallace Bassett, pastor of Cliff Temple Baptist church, officiated.

Mrs. Davis was buried in Waco.

Centex Jaycees Set Marlin As District Meet Feb. 21-22

Marlin.—Between 250 and 300 delegates are scheduled to be in Marlin for a two-day bi-regional meeting of Districts 11 and 12 of the Texas Junior Chamber of Commerce on Feb. 21 and 22.

President T. J. Honeycutt made the announcement following a special meeting of local Jaycee officials where plans were made for the convention.

John Seay, president of the local organization said that delegates would be named at the next meeting of the Jaycees which will be Monday, Jan. 12 at 7 p. m. at the Legion Hut.

The Cameron Herald
THURSDAY, JAN. 15, 1953

SS Workers Training School Date Set For February 16-20

A week's Bible study was due to get underway at the Battetown Baptist church, beginning Monday night, Jan. 12. The Book of Ephesians will be used as scripture.

The district convention and Bible conference for this district will be held in Belton, Jan. 26-27. Rev. J. Frank Steele announced. A number of outstanding Baptist ministers will speak at the conference.

Rev. Steele announced that the Associational Sunday school workers' training school will be held at the First Baptist church, Feb. 16-20 with awards to be presented.

Child Injured When Struck By Pickup Thursday

Eddie Thorpe, 3, is in a local hospital as a result from injuries received when he was struck by a bumper of a pickup, driven by Irvin Pugh. He is the son of Mrs. Stella Thorpe. The accident occurred on N. Fannin around 4:15 p. m. Thursday, Jan. 8.

Pugh was driving along slow and the child ran out into the street in front of the vehicle.

The child was rushed to the hospital and was reported to be resting fairly well Friday morning, however he was still undergoing X-ray and examination at that time. He received several facial cuts and bruises and his right side was bruised as result of the bumper knocking him to the pavement.

Sgt. Ladis Marek, Jr. is home on a 10-day leave from the Reese Air Force base in Lubbock, visiting his parents, Mr. and Mrs. Ladis Marek.

Legionnaires Making Plans for Mid-Winter Conference at Austin

Austin.—Preparations for 500 Legionnaires and Auxiliary members from all over Texas are being made by the American Legion's state headquarters for the Fifth Annual Mid-Winter Post Officers' Conference to be held Saturday and Sunday, Jan. 17 and 18, Albert D. Brown, Jr. of Austin, state commander, announced today.

The auxiliary, headed by the state president, Mrs. Adolf Bliden of Houston, will be participating in the conference for the first time, Brown stated. The department board of trustees has been called in for Friday, a day ahead of the conference, to inspect the Legion's new \$200,000 state headquarters being erected here and expected to be completed in May.

Among national Legion officials on the conference program are Arthur J. Connell, national executive committeeman from Connecticut; Seaborn P. Collins of Las Cruces, N. M., a member of the Legion's national executive commission and Lawrence J. Fenlon of Chicago, chairman of the national economic commission.

Henry B. Wiener of San Antonio will bring greetings from the 40 and 8 as Grand Chef de Gare of the Grand Voiture of Texas as will H. J. Bernard of Houston, the Legion's national executive committeeman from Texas.

Visiting post commanders, post adjutants, service officers and other officials will hear the American Legion's program presented by a number of its state chairmen. These include John Ben Shepperd, Austin.

S. W. McClaren, III Selected For Army Appointment

Washington, D. C.—Sherwood W. McClaren III, Cameron, son of Mr. and Mrs. S. W. McClaren, Jr., has been selected for appointment as a second lieutenant in the Regular Army, Field Artillery, upon graduation from Texas A&M College at the end of this year.

He is one of 663 distinguished military students listed by Secretary of the Army Frank Pace, Jr., for such appointments. The list includes top students in the army reserve officer's training corps at 123 colleges and universities in the United States, Alaska and Hawaii.

Selection was made on merits according to branch procurement quotas from a list of all distinguished military students who applied for appointment in the regular army. He was chosen because of outstanding qualities of leadership, high moral character, definite aptitude for military service and high academic standing.

His appointment will be effective June 15, 1953. He is also a graduate of Yoe high school.

Mr. and Mrs. Tage Terry were Sunday guests in the home of Mr. and Mrs. Emmitt Davis.

Theo Burnett of Marlow was in Cameron on business Monday morning.

Mr. and Mrs. Joe Donovan of Lake Charles, La., visited friends here on their way to El Paso to spend a week with relatives there.

Mr. and Mrs. Will Stoenner of Burlington were recent visitors in Cameron.

Lottery Will Decide Term For Senators

Senator Jarrard Secrest of Temple, church and civic leader and former school teacher, will participate in a "lottery" as his first official act after being sworn into office Tuesday noon. It all will be perfectly legal, too.

Secrest and the 30 other state senators will draw straws, numbers or use some other method to determine which of them will serve two-year terms and which four years.

The whole thing is caused by the redistricting of the 31 state senatorial districts last year. The move broke up the old district and set up new blocks of voters of the senators to represent.

State constitution states that senators shall serve four-year terms but also says that only half shall be eligible for election each second year.

So under the redistricting (because all are serving from new districts), 16 of the senators will serve four-year terms and the other 15 will have only two-year terms, will have to run again in 1954.

Secrest, who says he hasn't had much experience in flipping coins and such-like, is hoping to be one of those who gets a four-year term but if he doesn't, he has a bright side for that possibility.

He figures the senators who draw the two-year terms may be the lucky ones after all because "the voters of Texas have always believed in giving each official a full term in office."

Cecil S. Cone Funeral Service Held At Rosebud

Funeral services for Cecil S. Cone, a native of Rosebud, was held Tuesday at 4 p. m. at the Church of Christ in Rosebud, Minister Raymond Morgan was in charge, and burial was made in Woodland cemetery, Rosebud.

Mr. Cone, a prominent business man of Rosebud died Monday at 5 a. m. in the Rosebud hospital. He had been in the tractor and implement business there and in Cameron for many years.

Survivors include his wife, of Cameron; a step-son, Lee Langford of the U. S. Army; his father, Joe M. Cone; a brother, William Cone; a sister, Mrs. W. C. Goodman; two nieces, Mrs. Charles McSahn and Mrs. Lee Adams; a nephew, Cecil Goodman.

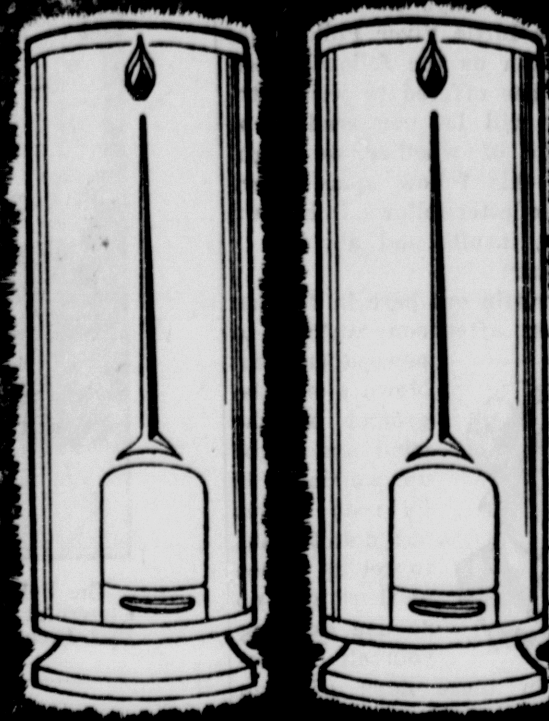

Mrs. Annie Bickett has been ill at her home in the Marlow community for the past few days.

TRADE IN CAMERON

T. B. Stidham of Jones Prairie has returned to his home much improved after being a patient in a local hospital.

Robert Johnson, student at Austin College in Sherman, was a week end guest of his parents, Mr. and Mrs. J. E. Johnson.

Which
costs $\frac{1}{2}$
as much
in the
long run?

Water heaters look alike.

Always find out about the *tank inside* when you buy.

Automatic gas water heaters with corrosion-resistant tanks last two, three . . . even five times longer.

Remember two things when you buy.

First, buy an adequate size automatic gas water heater — at least 30 gallons capacity, which gives you reserve for the future such as additions to your family or addition of hot water consuming appliances.

Second, all top-quality corrosion-resistant tanks are guaranteed five years. Some, like Ruud Monel, are guaranteed 10 years. They cost a little more, but in the long run, cost only one-half as much as low-priced water heaters.

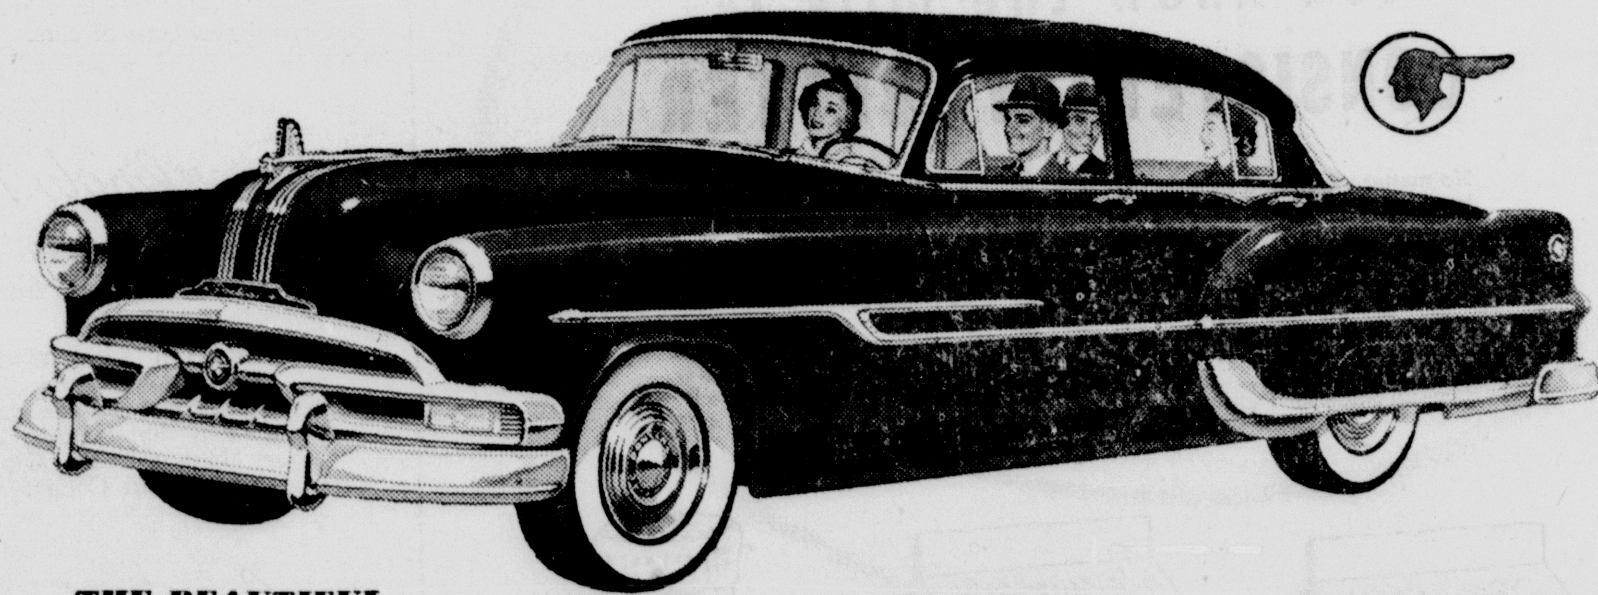

Only GAS

—heats water fast

—costs so little to run

Barbara Jo, Margaret, and Paul Young had as their guests for the day, Carol Anne Sanders, Neta Archer, Jane Russell, and Turner Newton all of Cameron.

TRADE IN CAMERON

Mrs. Katherine Fuchs, 78, Succumbs After Short Illness; Services Set

Mrs. Katherine Fuchs, 78, died in a Cameron hospital Jan. 6, 1953 where she had been a patient for some time.

Mrs. Fuchs was born in Illinois, March 2, 1874 and came to Milam county with her parents when a young girl. She had lived in the Burlington community for the past 58 years.

She was the mother of Mrs. Emil Hollas of Cameron. Her husband had preceded her in death several years ago.

Funeral services were scheduled at the St. Michaels Roman Catholic church at 9 a. m. Thursday, Jan. 8, with Rev. M. J. O'Regan,

pastor, conducting. Rosary was scheduled at the family residence at 7:30 p. m. Wednesday.

Interment in the St. Michaels cemetery with Marek-Burns funeral directors in charge of arrangements.

Survivors include three sons, Ben and Rueben Fuchs of Burlington; Frank Fuchs of Corpus Christi; three daughters, Mrs. Emil Hollas of Cameron; Mrs. Dan Driscoll of Burlington and Mrs. L. A. Halfmann of Ballinger. Twelve grandchildren and one great-grandchild also survive.

The Cameron Herald

THURSDAY, JAN. 15, 1953

ANNOUNCING

Mr. and Mrs. John H. Brantley announced the arrival of a son born at a local hospital Monday, Dec. 29, 1952. He has been named Gary Kent and weighed seven pounds and eight ounces.

Mrs. Brantley is the former Billie Jo Harris. Grandparents are Mr. and Mrs. W. H. Brantley and Mr. and Mrs. Tom Harris all of Cameron.

Mr. and Mrs. Theiston Ruebens of Port Aransas visited in the home of his sister, Mrs. Frank Brocha at Clarkson this week.

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier

YOU'VE GOT TO FEEL IT . . . TO BELIEVE IT

New Ford Miracle Ride

Here's new freedom from bounce, pitch and sway . . . an entirely new standard of riding comfort!

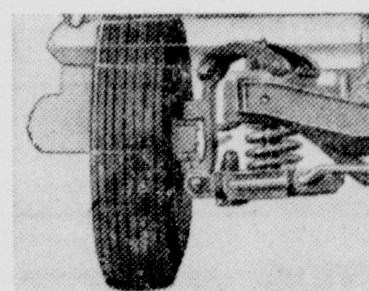

If you've thought it takes gas-eating weight and hard-to-park length to give real riding comfort you ought to try this '53 Ford. For Ford's new Miracle Ride actually seems to lay a carpet of smoothness even over the roughest roads. There's no

bounce, pitch and sway to bother you, no uncomfortable roll on curves. Ford's new Miracle Ride marks a new era of riding comfort and quiet. It's another big reason why Ford is worth more when you buy it . . . worth more when you sell it!

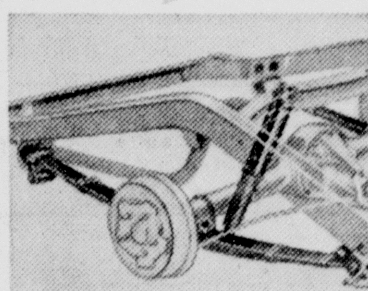

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

The New Standard of the American Road

80% less road shock! By increasing front wheel travel and redesigning the rubber compression bumpers, front end road shock is reduced as much as 80%. Springs are tailored-to-weight of each model, for best riding comfort, whichever model you buy.

Automatic Ride Control! Ford's Variable-Rate rear spring suspension actually makes the effective spring "stiffness" vary automatically as road and load conditions change. You get a smooth, level, comfortable ride on boulevard or roughest back road.

All day comfort! Scientifically designed contour seats, both front and rear, have thick foam rubber cushions. Non-sag spring construction is firm yet resilient. Automatic Posture Control provides the most convenient seating position for all drivers.

You've got to Value Check this new Ford's 41 "Worth More" features to know why Ford is worth more when you buy it . . . worth more when you sell it!

In this new '53 Ford you'll find not only a new concept of riding and driving comfort . . . you'll find more of the things you want and need than in any other car in the low-price field.

You'll find the "Go" you need, in Ford's high-compression V-8 and Six engines (and both thrive on regular gas). You'll find the great, all-round visibility . . . the easy handling, braking and parking you need for today's traffic. And you'll appreciate beauty that "belongs," wherever you may drive. No wonder Ford is the New Standard of the American Road.

Electric Cooking

Costs only half as much as I thought!

And electric cooking costs only half as much as you think, too! Yes, cleaner, cooler electric cooking actually costs less than 1¢ per person per meal. That's because you cook with magic "free heat" most of the time. The oven thermostat cuts the electricity off and back on as needed to keep the temperature even, and the current is on less than half of the time. Much of the surface cooking uses the low heat position on the range — inexpensive as an ordinary light bulb. No doubt about it, when you cook electrically, with accurately-controlled, even heat, you cook with real thrift — and good taste, too!

eign Missionary Board, Richmond,
Va., speaker, topic, "Christ Mag-
nified Through World Missions."

Dinner served at the educational
building at noon; 7:30 p. m. Dr.
Rankin will speak on "Christ
Magnified Through Personal Dedi-
cation."

The First Baptist church was
organized in January 1853 when
elders J. W. D. Creath and D.
Fisher called together the people
of Baptist faith who lived in and
around Cameron and constituted
a church.

Elder Fisher served as the first
itinerant pastor. Among the char-
ter members were: Mr. and Mrs.
Alex Faulkner, the grandparents
of the late Mrs. W. A. Beal, and
Mr. and Mrs. Sample, Mr. and Mrs.
A. H. Allen who lived near Wal-
kers Creek and Mr. Sears, all of
whom are now deceased. There
were other charter members whose
names have been preserved in the
records and minutes or stories
handed down by tradition.

The father of Rev. P. L. Cap-
erton was also possibly among the
charter members, as records indi-
cate that he was living in Cam-
eron in 1853 and Elder Caperton
preached at Little River Baptist
church shortly afterwards.

Early pastors of the church were
not residents of Cameron, but rode
in on horseback for weekend serv-
ices. The first resident pastor was
Elder T. M. Anderson who came
to Cameron in 1867 and served as

pastor for two years.

During the first years of the
church, services were held in the
Old Academy, a frame building
which served the town as a school
house and stood on the grounds
where the old school building now
stands. The Baptists and Method-
ists used the building on different
Sundays.

Later the Baptists and Masonic
Lodge united in building a two-
story frame building structure on
the corner where the First Meth-
odist church is now located. This
building was destroyed by fire in
January 1870 with all records lost
in the fire along with the Masonic
records. A Sunday school was or-
ganized in 1867 by W. Streetman.

On August 12, 1871, the corner
stone was laid for a new building
on the site now occupied by the
fire station and city hall and this
two-story building was used until
1896 when the congregation de-
cided to build away from the rail-
road tracks that had just been
laid.

This building was erected on the
site the church is now located.
Many interesting records indicate
the progress, hardships and other
problems undertaken by the church
during its history up to the pres-
ent time.

Since the building of the church
on the present location, much pro-
gress has been attained and through
the leadership of noble leaders and

workers and laymen, the expansion
of the church has marked an era
of growth and development.

Pastors of the church from its
founding through the present lead-
ers are: Elders, D. Fisher, Seward,
Z. N. Morrell, W. B. Eaves, J. J.
Haggard, J. G. Thomas, J. J.
Sledge, S. G. O'Brien, T. M. An-
derson, M. Vandevere and C. P.
Lumpkins; Rev. M. S. Stamps,
